Re: Freedom of Information Request No. EPA-R2-2014-006855
Dated: May 28, 2014

Dear Mrs. Snook:

Your request for information has been referred to this branch for response. We have searched the Resource Conservation and Recovery Act (RCRA) files and/or computer database as appropriate to respond to your request. In addition, you may also receive information from other program areas within this Regional Office.

We are enclosing copies of the RCRA Facility File Index Sheets for three facilities listed in your request. They are Becton Dickinson, 101 Route 17 South, East Rutherford, New Jersey, EPA ID NJD011308988; Cognis Corporation Carlstadt, Berry Avenue & Junction Route 17 North, Carlstadt, New Jersey, EPA ID No. NJD002012219, and Arsynco Inc., 13th Street, Carlstadt, New Jersey, EPA ID No. NJD044688935. We are also enclosing a copy of the RCRA Compliance Monitoring, and Enforcement Data Reports regarding inspection information for all the sites listed in your request except for Port Authority/Teterboro Airport at 90 Moonachie Avenue in Moonachie, New Jersey, which does not have any compliance and enforcement information in our database.

The approximate amount of RCRA information that we have in our RCRA file room for the three facilities mentioned above that have index sheets are 3.5 inches for Becton Dickinson; 1 inch for Cognis Corporation Carlstadt, and 3.5 for Arsynco. One inch is equivalent to 250 pages. The cost for copying each page is \$.15.

For further information regarding the fact sheets for Arsynco in Carlstadt, New Jersey, you can access information from the internet at:
<http://www.epa.gov/region02/waste/fsarsync.htm>.

We welcome you to visit our office to review the RCRA files. We will arrange to make the files available to you. Kindly arrange your appointment with Mr. David Abrines of my staff at (212) 637-3043. The file offices are open between the hours of 9:00am - 4:00pm at the following address:

Room 1538, 15th Floor
290 Broadway
New York, New York 10007-1866.

Be sure to bring a copy of this letter when coming to our EPA file office, and make reference to the EPA ID Numbers NJD011308988; NJD002012219, and NJD044688935.

If you decide that you can not visit us, another suggestion is that you can select the information that you need from the RCRA Facility File Index Sheets. You can place an asterisk next to the documents that interest you on the index sheets, and then fax the indexes to Mr. Abrines at (212) 637-3526. Or, you can e-mail the information to abrines.david@epa.gov. Afterward, Mr. Abrines will review the documents that you selected on the indexes, and contact you concerning the final cost.

In addition, enclosed are copies of RCRA hazardous waste information for Atlantic Aviation Corporation at 233 Industrial Avenue at Teterboro, New Jersey, EPA ID No. NJD011308988, and Randolph Products at 92 Park Place East in Carlstadt, New Jersey, EPA ID No. NJD002003856.

We also have another RCRA file for a handler called Falcon Jet Corporation at Teterboro Airport, 90 Moonachie Avenue, Moonachie, New Jersey, and EPA ID No. NJD134869551. If you need further information on this facility file, you may contact Mr. Abrines at the above telephone number, or by e-mail.

Regarding air permitting information, we checked with our air programs office, and they do not have any responsive records for Becton Dickinson, 101 Route 17 South, East Rutherford, New Jersey; Cognis Corporation, Route 17 North and Berry Avenue, Carlstadt, New Jersey, and Arsynco, 13th Street, Carlstadt, New Jersey.

We also checked our Envirofacts Warehouse database, and there is no air information identified for Atlantic Aviation Corporation, Teterboro, New Jersey; Port Authority/Teterboro Airport, Moonachie, New Jersey, and Randolph Products, Carlstadt, New Jersey.

In addition, RCRA information is available on the Internet as described on the enclosed sheet.

Please include the above referenced request number on any inquiries regarding this response. We wait to hear from you as to how you want us to proceed with your request concerning the index sheets.

Sincerely yours,

A handwritten signature in black ink, appearing to read "Adolph S. Everett". The signature is fluid and cursive, with the first name "Adolph" being more prominent.

Adolph S. Everett, P.E.
Chief
Hazardous Waste Programs Branch
